

The Power Play Club announces  
the fifth annual

# Goals for a Goal campaign!

Every time the Gophers score, you celebrate by contributing to the Women's Hockey Fund.  
Last year Goals for a Goal raised over \$7,000!

**Goals for a Goal 2017–18 will raise more money for arena improvements. Our objective this season is to collect pledges totaling a combined \$50 per goal scored.**

To participate in Goals for a Goal, decide what you will pledge for each Gopher goal scored during the regular season, and then fill in the form below.

The suggested donation is at least \$1.00 per goal, but any amount is welcome. Last year, the team scored 112 goals during the regular season.

Progress toward meeting our objective will be published in the *Penalty Box Post* and displayed at the Power Play Club table in Ridder Arena.

All contributions are tax-deductible donations to the Golden Gophers Fund. The pledged amounts to Goals for a Goal will be collected at the conclusion of the regular season. There will be the option of paying by credit card or check.
