1. Payment: This year we will offer a direct link to the Golden Gopher Fund for payment by credit card. We will send your e-mail address to the Golden Gopher Fund and they will send you the link to donate.

2. Please check which fund to direct your donation:

Women's Hockey Fund

PPC Scholarship Fund

3. Check if you want to decline benefits: I decline the locker sponsor benefits. See explanation below:

The total value of benefits for a locker sponsorship is \$110.00. You have the option to choose not to accept your benefits (free reception and free tickets to the Senior Celebration); the full value of your donation would then be tax deductible. Should you choose to accept the benefits, your total tax-deductible amount would be the amount of the gift minus the cost of the benefits (\$490 for a \$600 donation).
